Questions to consider for the Annual Shared Conversation:

Target	Evaluation of service	Any Actions?
1. What do management do to ensure continuous staff development, purposeful planning and robust health and safety?		
2. How well do we know and understand Children's interests, knowledge and skills.		
3. How do we support children to develop these interests further?		

<p>4. What do we do to help children stay safe and promote their good health?</p>		
<p>5. What range and type of activities do we provide, and how might these support progress in the prime areas (EY children)?</p>		
<p>6. How do we help children to be happy, enjoy what they are doing, behave well and form positive relationships with adults and peers?</p>		
<p>7. How do we share information with children's parents, school and other childcare providers they go to? (Eg: children's interests and achievements, concerns and shared strategies)</p>		

Training/other needs identified:

<p>For future planning, what time of year would this conversation be most useful for you?</p>
