- Please consider in advance how you will safely travel to and from the meeting. Walking or cycling recommended where possible
- Hand Sanitising points will be available on entry and exit to the venue.
- Consideration should be given to the wearing of face coverings to reduce the risk to individuals and others. Face coverings in crowded enclosed spaces are expected and recommended.

- You will be responsible for your own refreshments while in attendance at the meeting.
- There should be no unnecessary movement around the meeting room.
- There should be no sharing of stationery, documents or other equipment. We request that attendees do not adjust any ventilation settings in the room or close windows that have been left open.

- A seating plan will be devised and seating will be labelled accordingly.

- There will be clearly defined seating areas for members of the public and media.
- Consideration should be given to the wearing of face coverings, especially if attendees are coming into close contact with people they do not usually meet. Face coverings in crowded enclosed spaces are expected and recommended.
- Members of the public/media wishing to attend conference rooms 3&4 for particular agenda items will be escorted in and out of the room by a member of council staff.

It is important to note that although the impact of the COVID-19 testing and vaccination programmes has been positive, COVID-19 remains a serious risk to health and the 'Hands Face Space Fresh Air' message is still crucial. People who have been vaccinated and/or tested negative for COVID-19 should still apply COVID-safe measures such as social distancing, good hand hygiene and wearing of face coverings where recommended.
