Decision No: (CAB 22/23 34158)

DECISION-MAKER:	CABINET
PORTFOLIO AREA:	Cabinet Member for Transport and District Regeneration
SUBJECT:	Transport for the South-East Strategic Investment Plan - Consultation Response
AUTHOR:	Emma Baker

THE DECISION

To approve the Council's formal response to the TfSE Strategic Investment Plan consultation in Appendix 1 and delegate authority to Head of Green City & Infrastructure to submit following consultation with Cabinet Member for Transport and District Regeneration.

REASONS FOR THE DECISION

The draft TfSE Strategic Investment Plan (SIP) builds on the Transport Strategy, adopted by TfSE in March 2020, by setting out delivery priorities for the period up to 2050. The Plan, which has been developed in partnership with 16 Local Transport Authorities, 5 Local Enterprise Partnerships ('LEPs') and other stakeholders, covers the area from the New Forest to Kent and from Isle of Wight to Berkshire. The Plan identifies measures within Southampton, and the wider Solent area, that contribute to national and local objectives set out in Government strategies and guidance, and the Local Transport Plans (LTP) of its sixteen Local Transport Authority partners.

The LTP continues to set out the local policy framework for transport in Southampton as required by the Transport Act 2000, and as amended by the Local Transport Act 2008. The draft SIP aligns with and builds on the policies contained in the SCC LTP by setting out the strategic policy framework for future transport investment across the South-East.
