Legal Implications

The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- its own statement of licensing policy
- the Statutory Guidance

An application may be refused in part and thereby only permit some of the licensable activities sought.

An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

In considering this application the sub-committee is obliged to consider the application in accordance, in particular, with both the Licensing Act 2003(Hearings) Regulations 2005 (as amended) and the rules of natural justice

The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied upon at the hearing.

The sub-committee must also have regard to:

- *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
- *The Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affects another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

Equality Act 2010

Section 149 of the Equality Act 2010 requires the Council to have due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act. It also requires the Council to advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This means having due regard to the need to removing or minimising disadvantages suffered, taking steps to meet the needs of persons, encouraging persons to participate in public life, tackling prejudice and promoting understanding. The relevant protected characteristics are: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

- Ensure that any person selling or supplying alcoholic drink under the authority of a personal licence holder asks for a photo ID proof of age where they have reason to suspect that the individual may be under 18 years of age.
- Adopt and comply with the British Beer and Pub Associations Guidelines on On-Trade Promotions.
- Ensure all staff receive regular training on the responsible sale of alcohol (every 6 months) with a record of training kept up-to-date on the premises.

b) The prevention of crime and disorder

- Provide a means of two way communication to report incidents between the premises and the local police or CCTV monitoring centre.
- Install Video/CCTV equipment inside/outside the premises and ensure that it is maintained in working order.
- Set Video/CCTV equipment to record from the time that the premises open to the public until the premises close and all members of the public have left.
- Ensure that any cameras covering the exterior of the premises are left to record for the duration of the tape and for a period not less than 24 hours a day.
- Ensure that monitoring tapes are retained for at least twenty eight days and are produced to an authorised officer on demand.
- Put up notices advising that CCTV has been installed on the premises so that they are clearly visible to the public within the licensed premises.
- Maintain an incident log of all instances of crime and disorder; and details of such checks are kept in a Log-book.

c) Public safety

- Where glass bottles are used, they will be retained or disposed of on the premises.
- No customers will be admitted, or permitted to leave when carrying open or sealed bottles or glasses.
- Ensure that the consumption of alcohol is restricted to the areas identified on the plan attached to the operating schedule.
- Ensure that a secure deposit box is kept on the premises for the retention of confiscated items and ensure that the Police are advised of any items which require safe disposal.
- Be responsible for the disposal of waste on the frontage of the premises and make provision for the emptying of litter bins in the vicinity of the premises.
- Ensure that lighting is provided outside the premises (and in my private car park) during the hours of darkness when any licensable activity takes place on the premises.
- Make sure that escape routes and exits, including external exits, are maintained to ensure that they are not obstructed, in good order with non-slippery and even surfaces, free of trip hazards and clearly identified.
- Make sure that where chairs and tables are provided, internal gangways are kept unobstructed.
- Make sure that all exit doors are easily openable and do not require the use of a key, card, code or similar means
- Make sure that doors at such exits are regularly checked to ensure that they function satisfactorily and a record of the check is kept.
- Make sure that any removable security fastenings are removed whenever the premises are open to the public or occupied by staff.
- Make sure that all fire doors are maintained effectively selfclosing and not held open other than by approved devices (for example, electromagnetic releases operated by smoke detectors).

- Make sure that fire resisting doors to ducts, service shafts, and cupboards are kept locked shut.
- Make sure that the edges of the treads of steps and stairways are maintained so as to be conspicuous.
- Safety checks are carried out before the admission of the public or club members and guests; and details of such checks are kept in a Log-book.
- Make sure that hangings, curtains and temporary decorations are maintained in a flame-retardant condition.
- Make sure that any upholstered seating meets on a continuous basis the pass criteria for smouldering ignition source 0, flaming ignition source 1 and crib ignition source 5 when tested in accordance with section 5 of Bs 5852:1990.
- Make sure that Hangings, curtains and temporary decorations are arranged so as not to obstruct exits, fire safety signs or firefighting equipment.
- Make sure that Temporary decorations are not used without prior notification to the licensing authority/fire authority.
- Make sure that notices detailing the action to be taken in the event of fire or other emergencies, including how the fire brigade should be summoned, are prominently displayed and protected from damage and deterioration.
- The fire brigade will be called at once to any outbreak of fire, however slight, and the details recorded in a Fire Log-book.
- Notify the local Fire Control Centre as soon as possible if the water supply to any hydrant, hose reel, sprinkler, drencher or other fire extinguishing installation is cut off or restricted.
- Access for emergency vehicles is kept clear and free from obstruction.
- Ensure that when disabled people are present, adequate arrangements exist to enable their safe evacuation in the event of an emergency, and that patrons are made aware of these arrangements.
- Ensure that adequate and appropriate supply of first aid equipment and materials is available on the premises.
- Ensure that at least 1 trained first aider will be on duty when the public are present. If more than one first-aider is present, I will make sure that their respective duties are clearly defined.
- In the absence of adequate daylight, I will make sure that the lighting in any area accessible to the public is fully operational.
- Ensure that Fire safety signs are adequately illuminated.
- Make no alterations to Emergency lighting without prior notification to the Licensing Authority.
- Ensure that Emergency lighting batteries are fully charged before admission of the public.
- In the event of failure of normal lighting, where the emergency lighting battery has a capacity of one hour, I will make sure that evacuation of the premises is possible within 20 minutes. Where the emergency lighting battery has a capacity of three hours, I will make sure that evacuation of the premises is possible within one hour.
- Temporary electrical wiring and distribution systems will not be provided without prior inspection by a suitably qualified electrician
- Ensure that any temporary electrical wiring and distribution systems comply with the recommendations of BS 7671 or where applicable BS 7909.
- Ensure that where temporary electrical wiring and distribution systems have not been installed by a competent person, they are inspected and certified by a competent person before they are put to use.

 - Temporary Electrical Installation
 - Ensure that I have valid public liability insurance in force and that a copy of the schedule is available for inspection by an authorised officer on request.

- Make free drinking water available at all times the premises is open to the public.

- Make sure that any request by an authorised officer of the Council in relation to reducing noise levels is complied with.
- Make sure that the placing of bottles into receptacles outside the premises takes place at times that will minimise disturbance to nearby properties.
- Display prominent, clear and legible notices at all exits requesting patrons to respect the needs of local residents and to leave the premises and the area quietly.
- Ensure that offensive smells from the licensed premises are not permitted so as to cause a nuisance to nearby properties and the premises are properly vented.
- Ensure that receptacles for waste are emptied regularly to minimise nuisance smells.
- Ensure that flashing or particularly bright lights on or outside the licensed premises do not cause a nuisance to nearby properties, whilst balancing the need for lighting in the interests of prevention of crime and disorder.

The premises licence holder will ensure that there is a training package in place for all members of staff involved in the sale or supply of alcohol. All members of staff shall be trained in licensing matters proportionate to their role and aware of their responsibilities. Particular attention should be paid to underage sales/ ID verification, refusal of alcohol sale to a drunk person, proxy sales and identifying potentially vulnerable persons.

The date of completion of the training shall be recorded and both the member of staff receiving the training and the trainer shall sign the record of training. Refresher training is to be given at regular intervals by the premises licence holder but not at intervals greater than 12 months.

Records of training must be made available for immediate inspection by police or other responsible authority upon reasonable request and records of staff training will be retained for no less than 2 years.

The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system will be able to cope with strobe lighting (where used) and all levels of illumination throughout the premises as well as outside areas.

CCTV warning signs to be fitted in public places.

The CCTV system must be operating at all times whilst the premises are open for licensable activity. All equipment shall have a constant and accurate time and date generation.

The recording system will be able to capture a minimum of 4 frames per second and all recorded footage must be securely retained for a minimum of 28 days.

Records must be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained.

The DPS or premises manager must be able to demonstrate that the CCTV system has measures to prevent recordings being tampered with, i.e. password protected.

There shall be sufficient members of trained staff at the premises during operating hours to be able to provide viewable copies immediately to police on request when investigating allegations of offences or criminal activity. Any images recovered must be in a format that can be viewed on readily available equipment without the need for specialist software.

In the event of technical failure of the CCTV equipment, the Premises Licence holder/DPS MUST report the failure to the Hampshire Police Licensing Unit within 24 hours, and arrangements made to repair the fault without delay.

A competent trained person in the use of and operation of the CCTV must be in attendance at the premises at all times that licensable activities take place and there must be a person present, nominated by the data controller, who is able to fully operate the CCTV system to be able to download at the times of the visit onto a CD/DVD/USB stick any information lawfully requested by any Responsible Authority.

An incident book shall be maintained to record any activity of a violent, criminal or anti-social nature.

The record will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. This record shall be produced to a police officer or an authorised officer of the local authority on reasonable request. This record shall be retained for a period of 12 months.

A written log shall be kept of all refusals including refusals to sell alcohol.

The premises licence holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the DPS.

The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Hampshire Constabulary and any responsible authority.

The record of each refusal will be retained for 12 months

The premises licence holder shall ensure that a system is in place to ensure that every individual who appears to be under 25 years of age seeking to purchase or be supplied with alcohol at or from the premises, shall produce acceptable means of identification and age confirmation. Acceptable identification shall be a passport, photo driving licence or PASS accredited photo ID. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

Dear Sir / Madam,

RE: OBJECTION to the Application for a Premises Licence / Reference

2021/01198/01SPRN

As the owners of property Flat 101, 23-24 Queens Terrace which is located directly above the premises applying for the license, we are writing to you to express our reasonable concern and objection to the Application for a Premises Licence made by NSR Holdings Ltd. Trading as 'Ritas', 48-49 Oxford Street, Southampton SO14 3DP.

The premises below our property was formerly a Mexican restaurant, 'Chimichangas'. This operated as a restaurant and caused little disturbance. The new application for a Premises Licence made by NSR Holdings Ltd. Trading as 'Ritas' describes a late-night drinking establishment with live music which we believe will be detrimental to the local area and people who live there.

We rent our property to professional people and our tenants will suffer great disturbance if this application for a Premises Licence is approved. Our representations specifically relate to the following licencing objectives:

A cocktail bar featuring loud live and recorded music every night of the week will:

- Lead to greater intoxication of people in the area which will likely result in greater disorder and potentially crime
- Late night drinking and loud live and recorded music will create a public nuisance through:
 - Noise in the street caused by people queueing to get in and or traffic leaving a premises at midnight and afterwards
 - Street drinking and customers gathering outside
 - Environmental damage including littering
 - Increased nuisance from rowdy or inconsiderate patrons of the establishment
 - Increased nuisance such as noise, smells and increased light pollution

As conservation area, Oxford Street and its surrounding area including Queens Terrace, is advertised and described by Southampton City Council as a Heritage site. Granting this Application for a Premises Licence (Ref: 2021/01198/01SPRN) will not enhance this area and will compromise and undermine the intent that Southampton City Council is portraying for this area.

On the reasons we have outlined in this letter, we completely object to the Application for a Premises Licence (Ref: 2021/01198/01SPRN) and support that it should not be granted.

Please confirm receipt of this letter.

Yours Sincerely,

Tracy Currer & Nicholas Currer

Procedure – Applications etc. under the Licensing Act 2003 or Gambling Act 2005

1. A hearing will be held to decide applications, etc., under the Licensing Act 2003, where there have been relevant representations from one or more of the responsible authorities or other persons. The parties to the hearing will have the chance to be heard. They are also entitled to be helped or represented by another person if due written notice is given in advance.
2. Hearings will take place before a Sub-Committee comprising three members of the Licensing Committee. One of these members will be elected Chair of the Sub-Committee for that hearing.
3. Please note that for day time hearings the Sub-Committee will normally adjourn for lunch at 1:00 p.m. and that comfort breaks will be taken at the discretion of the Chair at appropriate points during the meeting.

Preliminary matters

4. The Chair will introduce those present.
5. The Chair will check whether any of the Sub-Committee members has a “disclosable pecuniary”, “personal” or “pecuniary” interest.
6. The Chair will check whether all the parties are present at the hearing, and if any are not, whether they have told the Council that they do not wish to attend or be represented. If any party who was expected to attend has not done so, the Sub-Committee will decide whether to hold the hearing in that party’s absence, or to adjourn it to another date. Hearings will be adjourned if the Sub-Committee considers this necessary in the public interest, if that is possible. If the Sub-Committee decides to hold the hearing in a party’s absence, they will still consider any written information received.
7. In the case of an application for variation or a new licence, the Sub-Committee’s legal advisor will ask the applicant or their advisor for confirmation that the required public notices have been displayed where they can conveniently be read from the exterior of the premises and that notice was given in a local newspaper within eleven working days of the day on which the application was received by the licensing authority.
8. Normally, hearings will be open to the public. However, the Sub-Committee may exclude the public from the hearing (or part of it) if they think the public interest in doing so outweighs the public interest in having the hearing in public. If the public are excluded, any of the parties to the hearing, and/or anyone helping or representing them, may also be excluded.
9. The Chair will propose a motion that the public and the press be excluded from the hearing while the Sub-Committee considers the matter. Ordinarily the legal advisor and democratic support officer will remain (see paragraph 30 (b) below).
10. The Openness of Local Government Bodies Regulations 2014 provide an entitlement for the public to film, photograph and audibly record (“record”) public meetings. However, by virtue of Schedule 6, paragraph 58 of the Licensing Act 2003 and section 101 (15) of the Local Government Act 1972, Licensing Act 2003 hearings are not covered by the entitlement to film as of right. The Council’s general approach is to encourage openness and transparency in all its dealings and the general presumption is that filming or recording of hearings shall generally be permitted where due notice has been provided in advance of the hearing. Nonetheless the following shall apply:

- i) Filming / recording / photographing hearings shall only be permitted with the express permission of the Chair. Such permission may include restrictions to protect children, vulnerable persons or others that object to being filmed / photographed / recorded.
 - ii) Requests to film / record / photograph should be made with sufficient notice in advance of the hearing. Late requests may not be granted if there shall be a delay to proceedings as a result.
 - iii) Every party to the hearing and any witnesses shall have the opportunity to object and those representations shall be considered by the Sub-Committee.
 - iv) No filming, photography or sound recording shall be permitted of any person under 18 years of age.
 - v) No person shall be put under any pressure to consent to such and no payment for such consent shall be given.
 - vi) The Chair shall have the final say as to whether any filming, photography or recording is allowed (including the extent to which permission is granted e.g. the parts of the meeting, the individuals concerned or the arrangement of the recording equipment).
 - vii) All directions given by the Chair shall be fully complied with and the Chair shall have the absolute discretion to withdraw permission to film, photograph or record in the event the same causes an obstruction or interferes with the general conduct of the hearing, including the impeding of the giving of proper evidence.
11. A party may have asked for someone else to appear at the hearing to make a point or points that may help the Sub-Committee reach a decision. It is up to the Sub-Committee to decide whether that person should be heard, although permission will not be refused unreasonably. Such a person is referred to as a “witness” in this procedure.
12. Where application has been made, in advance of the hearing, that it should be conducted in private (e.g. by the Police in review or summary review proceedings) reports shall be prepared and presented as confidential so that the Committee can make a meaningful determination in accordance with Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 to exclude the press and public. It is important to note that reports presenting Licensing Act 2003 matters are not required to be published in advance. However, certain limited information must be published in accordance with the Licensing Act 2003 (Licensing Authority’s Register) (Other Information) Regulations 2005 and section 8 of the Licensing Act 2003.
13. The Chair will then explain the procedure that will follow.

General information on the conduct of the hearing

14. Each party is entitled to:
- (a) Give further information in response to any point that the Council told them before the hearing they would like clarified;
 - (b) With the permission of the Chair, seek clarification on any point by any other party;
 - (c) Address the Sub-Committee.
15. Members of the Sub-Committee may also seek clarification of any party or witness.
16. At the Chair’s discretion, the Sub-Committee’s legal advisor may ask any questions he or she thinks are relevant.

17. Unless the Council has requested in advance that a particular point be clarified, new documentary or other evidence may not be submitted for the first time at the hearing, unless all the other parties agree.
18. Members of the Sub-Committee will have read all the papers included in the agenda for the hearing before the hearing starts. The parties are requested not to spend unnecessary time repeating evidence which is already in the papers and which is not disputed.
19. Evidence that is not relevant to the case, or to the promotion of the four licensing objectives, will be disregarded.

Hearing Procedure

20. If any party has asked permission for a witness or witnesses to appear, the Sub-Committee will decide whether they should be heard (see paragraph 10 above).
21. All parties will be allowed a similar (and maximum) amount of time to put their case, and ask questions of other parties, subject to the Chair's discretion to not hear repetitive matters or questions.

The applicant

22. The applicant for the licence (or their representative) or the applicant in review proceedings, may present their case.
23. If the Sub-Committee permits, the applicant may call those witnesses whose names have been provided in advance to support their application.
24. Where a group of witnesses wish to speak in support of the application for similar reasons, one person should, where possible, act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.
25. The Chair will invite those making representations to seek clarification on any point made by the applicant. The Chair will decide in which order those making representations will be invited to put their questions.
26. Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may also seek clarification of the applicant or any of their witnesses.

The representations

27. Where there is more than one person making a representation, the Chair will decide the order in which they may put their case. If there is a representation from one or more of the responsible authorities, their representatives will normally be invited to put their case first.
28. The following procedure will apply to each person making a representation in turn:-
 - (a) The person making a representation (or their representative) may present their case.
 - (b) If the Sub-Committee permits, the person making a representation may call those witnesses whose names have been provided in advance to support their objection.
 - (c) Where a group of witnesses wish to speak in support of the objection for similar reasons, where possible, one person should act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.

- (d) The Chair will invite the applicant to seek clarification on any points made by those making representations.
- (e) Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may seek clarification of those making representations or any witnesses.

Summing up

29. The Chair will invite each person making a representation to make a final statement or sum up their case.

30. The Chair will invite the applicant to make a final statement or sum up their case.

Sub-Committee's decision

31.

- (a) At the end of the hearing the Sub-Committee will move to private session whilst it considers the matter.
- (b) The Sub-Committee's legal advisor will remain to provide legal advice and the democratic services officer will remain to record the decision. Details of any legal advice will be recorded and referenced in the decision and reasons.
- (c) The parties will be invited to wait to be informed of the outcome.
- (d) As soon as the decision is reached, the public and press will be invited to return to the room in which the hearing took place, and the Chair will announce the decision and the reasons for it.
- (e) If a room is available, the Committee may retire to deliberate and make its decision
- (f) All parties will be formally notified in writing of the decision and reasons as soon as possible.

In most cases the Sub-Committee will announce the decision at the conclusion of the hearing. In certain cases where this is not possible due to time constraints (and the Hearings Regulations permit – Regulation 26 (1) sets out those hearings where delay is not possible) the decision shall be made within 5 working days beginning with the day of the hearing or the last day of the hearing.
