PUBLIC INFORMATION

Role of Scrutiny Panel Inquiry – Tackling Accessible Southampton

The Overview and Scrutiny Management Committee have instructed the Scrutiny Panel to undertake an inquiry.

Purpose: To identify whether the physical infrastructure of the city creates barriers for people with disabilities to access all that Southampton has to offer, and, if so, to determine what we can do as a city to address this.

Use of Social Media:- The Council supports the video or audio recording of meetings open to the public, for either live or subsequent broadcast. However, if, in the Chair's opinion, a person filming or recording a meeting or taking photographs is interrupting proceedings or causing a disturbance, under the Council's Standing Orders the person can be ordered to stop their activity, or to leave the meeting.

By entering the meeting room, you are consenting to being recorded and to the use of those images and recordings for broadcasting and or/training purposes. The meeting may be recorded by the press or members of the public.

Any person or organisation filming, recording or broadcasting any meeting of the Council is responsible for any claims or other liability resulting from them doing so.

Details of the Council's Guidance on the recording of meetings is available on the Council's website.
