SUMMARY

Under the Accounts and Audit (Amendment) (England) Regulations 2006, the Council is responsible for:

- maintaining an adequate and effective system of Internal Audit of its accounting records and of its system of internal control in accordance with the proper internal audit practices.

In accordance with proper internal audit practices and the Internal Audit Strategy, the Chief Internal Auditor is required to provide a written status report to the Audit Committee, summarising:

- progress in implementing the audit plan;
- internal audit reviews in progress;
- audit opinion on all internal audit reviews completed since the last report and executive summaries of published reports where critical weaknesses or unacceptable levels of risk were identified;
- the status of 'live' reports, i.e. those where internal audit work is completed and actions are planned to improve the framework of governance, risk management and management control; and

The appendix summarises the activities of internal audit for the period ending 21st December 2009.
