SUBJECT:	SECOND QUARTER PERFORMANCE MONITORING FOR 2012/13
DATE OF DECISION:	13 NOVEMBER 2012
REPORT OF:	CABINET MEMBER FOR EFFICIENCY AND IMPROVEMENT
STATEMENT OF CONFIDENTIALITY	
NONE	

BRIEF SUMMARY

This report outlines the progress made at the end of September 2012 against the targets contained within the Council Plan. The analysis contained in this report has been compiled on an exceptions basis. It only highlights variances for the targets set out in the Council Plan.

RECOMMENDATIONS:

- (i) Note that 72% of the Council's Key Critical Performance Indicators set out in the Council Plan are reported to be on target.

REASONS FOR REPORT RECOMMENDATIONS

1. To provide an opportunity for Cabinet to collectively review 2nd quarter performance results against the targets contained within the Council Plan.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

2. To not submit this report. This option was rejected, as it is inconsistent with good management practice.

DETAIL (Including consultation carried out)

3. The Council Plan is a cross cutting document covering all areas of the Council's activities. The Plan reflects the leadership role of the Executive in delivering the Council's policy objectives, value for money and service improvement for the benefit of residents and businesses in the city.
4. The Council Plan identifies a short list of top priorities for improvement that the Council as a whole will focus on and progress. It has been agreed that progress against these priorities for improvement will be reported to Cabinet regularly. In addition, each directorate will also focus on a maximum of 12 priorities for improvement with the aim of narrowing our focus on the essential performance indicators within each directorate. The same approach will be taken at a service level, with the aim of focusing on the most important areas for improving performance.
5. This quarterly report outlines the progress made against the targets set out in the Council Plan, on an exceptions basis. Any variations which are of concern will be escalated to the relevant Cabinet Member by Directors so that agreed appropriate action can be taken.

6. The Council Plan contains the agreed targets for 14 Council Critical Key Performance Indicators (CKPIs). A top-level summary of the CKPIs at the end of the 2nd quarter indicates that **72%** are on target, this compares to 72% reported to be on target at the end of Quarter 1 2012/13.
7. Council Plan Service Improvement Actions (Commitments) are not reported this quarter as the commitments are in the process of being finalised. This is because the Council Plan for 2011 – 14 is currently being revised in light of new council priorities, following the change in administration in May 2012. Therefore, although directorates are continuing to focus on key service priorities, this report does not contain any information on the Service Improvement Action (commitments) for the second quarter of 2012/13.
8. It should be noted that to ensure a consistent means of determining good and poor performance, the same assessment criteria have been applied as in previous monitoring reports. An indicator is therefore deemed to be:
 - On Target (Green) if performance is within 5% of the agreed target
 - Have a slight variance (Amber) if the variance is between 5% and 15%
 - Have a significant variance (Red) if the reported variance is more than 15% from the agreed target
 - Data Unavailable (Grey).
9. At the end of the 2nd quarter 2012/13 the following measures have been highlighted as having significant or slight variances, explanations for these can be found in Appendix 1:
 - Achievement of at least 78 points across the Early Years Foundation Stage (Significant Variance)
 - Increase the timeliness of Initial Child Protection work for vulnerable children (Significant Variance)
 - Number of affordable homes delivered (Slight Variance).
10. The overview of the 14 CKPIs for the Council is as follows:
