Dear Madam

**Southampton Large Casino Competition
Application by Kymeira Casino Limited: Royal Pier Waterfront Development**

We have seen the Council's letter to Pram Nayak of Lucent Group from Barbara Compton dated 26th February together with the letter to Mr Nayak from Clifton Davies Consultancy Limited dated 23rd January, to which reference is made in Barbara Compton's letter.

As we understand it, Barbara Compton's letter sets out advice that the Council has received from Philip Kolvin QC in relation to what Clifton Davies presented as a suggested "solution to the progress of Stage Two applications for Provisional Statements by all applicants applying for the same in respect of the Royal Pier Waterfront Development".

We do not propose to comment on the opinions expressed in those two letters, and will instead adopt a neutral stance. However, we should be grateful if you would please keep us informed in the event that the Council or the Licensing Committee decides to take any step which would have bearing upon the Competition process.

Please note also that our point of contact is now Kirsty Kneen, kirsty@lucentgroup.co.uk rather than Andrew Cotton at Jeffrey Green Russell and we should be grateful therefore if all future communications could please be sent direct to her.

Yours faithfully

for and on behalf of Kymeira Casino Limited
