Subject: Variation SEL - Wiggle

Good afternoon,

I am in receipt of your variation application for the SEL at Wiggle. I require some additional information in order to process the application. Namely, could you please provide details of how you will comply with conditions **12.5** and **12.7** on the SEL in relation to the new VIP areas.

12.5. Private booths must not be fully enclosed. There must be a clear sight-line from outside the booth so that any performance of sexual entertainment can be directly monitored.

12.7. Unless monitored by CCTV screen and/ or directly and within 5 metres (or other such distance as agreed by the council) of appropriately trained staff private booths shall be fitted with a panic button or security alarm.

Please reply by return of email.

I look forward to hearing from you soon and if I can be of any help, please get in touch on the details below.

Kind regards,

Colin POLLARD 16866

Hello Colin, Ref Wiggle Booths. All booths will be covered by CCTV cameras and monitored from the 1st floor and the ground floor. A supervisor will be on duty during any performance.

Hope this answers your question

Regards

Paul
