<b>BRIEF SUMMARY</b>		
<p>The Hampshire and the Isle of Wight (HIOW) health and care system has identified the need to achieve more and in a faster time for citizens to improve both the quality and efficiency of the system. As such, partner organisations have worked together to develop a proposal which sets out a potential change to the way in which the system works.</p> <p>The proposal, attached, has been received at Governing Bodies and Boards across the HIOW health and care system and describes the component parts of a reformed system and their function.</p>		
<b>RECOMMENDATIONS:</b>		
	(i)	That the Panel notes and considers the proposal, attached as Appendix 1, and the process by which it has been developed.
