Provided that where the application relates to any woodland specified in the First Schedule to this Order the Authority shall grant consent so far as accords with the principles of good forestry, except where, in the opinion of the Authority, it is necessary in the interests of amenity to maintain the special character of the woodland or the woodland character of the area, and shall not impose conditions on such consent requiring replacement or replanting.

(2) The time within which any such claim shall be made as aforesaid shall be a period of twelve months from the date of the decision of the Authority, or of the Minister, as the case may be, or where an appeal has been made to the Minister against the decision of the Authority, from the date of the decision of the Minister on the appeal.

Any person contravening the provisions of this Order is guilty of an offence under sub-section (6) of section 28 of the Act and liable on summary conviction to a fine not exceeding fifty pounds; and if in the case of a continuing offence the contravention is continued after conviction he is guilty of a further offence thereunder and liable on summary conviction to an additional fine not exceeding forty shillings for every day on which the contravention is so continued.

13. The Interim Preservation Order made by the Authority on 21st November, 1944, and approved by the Minister of Town and Country Planning on 9th March, 1945, is hereby revoked.

Provided that this revocation shall not affect any right, obligation or liability acquired, accrued or incurred under the said Interim Preservation Order and any application for consent made under that Order and not determined may be dealt with as if it had been made under this Order and any consent granted under that Order shall continue in force and have effect as if it had been granted under this Order.

### THIRD SCHEDULE

Provisions of Part III of the Act as adapted and modified to apply to this Order.

15. (1) The Minister may give directions to the Authority requiring that any application for consent under the Order, or all such applications of any class specified in the directions, shall be referred to the Minister instead of being dealt with by the Authority, and any such application shall be so referred accordingly.

(2) Where an application for consent under the Order is referred to the Minister under this section, the provisions of Articles 4 and 5 of the Order shall apply in relation to the determination of the application by the Minister as they apply in relation to the determination of such applications by the Authority:

Provided that before determining any such application the Minister shall, if either the applicant or the Authority so desire, afford to them an opportunity of appearing before and being heard by a person appointed by the Minister for the purpose.

(3) The decision of the Minister on all applications referred to him under this section shall be final.

16. (1) Where application is made to the Authority for consent under the Order and that consent is refused by that Authority or is granted by them subject to conditions or where any certificate or direction is given by the Authority, then if the applicant is aggrieved by their decision on the application, or by any such certificate, or if the person directed is aggrieved by the direction, the applicant or that person, as the case may be, may, by notice in writing served within 28 days from the receipt of notification of their decision, certificate or direction, or such longer period as the Minister may allow, appeal to the Minister.

(2) When an appeal is brought under this section from a decision, certificate or direction of the Authority, the Minister may allow or dismiss the appeal or may reverse or vary any part of the decision of the Authority, whether or not the appeal relates to that part, or may cancel any certificate or cancel or vary any direction, and may deal with an application as if it had been made to him in the first instance, and the provisions of the last foregoing section shall apply, subject to any necessary modifications in relation to the determination of an application by the Minister on appeal under this section as they apply in relation to the determination by the Minister of an application referred to him under that section.

referred to the Minister in accordance with the directions given by him under the last foregoing section;

the provisions of sub-section (1) of this section shall apply in relation to the application as if the consent to which it relates had been refused by the Authority, and as if notification of their decision had been received by the applicant at the expiration of the said period of two months or the extended period agreed upon as aforesaid, as the case may be.
