BRIEF SUMMARY			
<p>Community Chest is the council’s small grant scheme and currently awards grants of up to £2,500 to community groups and small voluntary organisations and social enterprises in the city with annual incomes of less than £250,000. Grants are awarded twice a year under delegated authority to the Cabinet Member for Communities, Culture and Heritage, following recommendations from the cross-party Community Chest Grant Advisory Panel. The annual budget is £50,000.</p>			
<p>The Celebrations grant scheme is a sub-section of the Community Chest grant and offers grants up to £500. Applicants may apply for both the Community Chest and Celebrations grants, providing it is for different events/activities. Unlike the main Community Chest grant scheme, there is no income cap on applicants to the Celebrations grant scheme and any voluntary, community and social enterprise organisation can apply.</p>			
RECOMMENDATIONS:			
	(i)	To agree the recommendations for 2021/22 round 2 grants made by the cross-party Community Chest Grant Advisory Panel as set out in appendix 2.	
REASONS FOR REPORT RECOMMENDATIONS			
1.	All the applications have been considered by the cross-party Community Chest Grant Advisory Panel, which has made recommendations on which should receive funding. All applications recommended for funding contribute to at least one of the council’s priority outcomes and will enable the applicants to provide activities for the benefit of their communities.		
ALTERNATIVE OPTIONS CONSIDERED AND REJECTED			
2.	The option of not recommending funding was considered and rejected as it would not meet the council’s aims of supporting local people to engage in community activities.		

DETAIL (Including consultation carried out)	
3.	Community Chest is the council's small grants scheme and has been running for more than 35 years. It is periodically reviewed to ensure it continues to meet the needs of local community groups. All grant funded projects, events and activities must contribute to at least one of the council's four priority outcomes. Since 2019 a smaller grant has also been available for community celebration events that bring different people together.
4.	Both grant schemes have two rounds per financial year. In 2021/22 the overall budget available is £50,000. The decision maker for both grant schemes is the Cabinet Member for Communities, Culture & Heritage, following recommendations by the cross-party Community Chest Grant Advisory Panel.
5.	Each application is first checked by a technical appraiser to ensure both the project and the applicant meet the Community Chest or Celebrations Grant criteria and minimum standards for grant funding. Further information or clarification is requested where necessary. All applications are then submitted to the cross-party Community Chest Grant Advisory Panel for consideration.
6.	Applications for round two of the 2021/22 Community Chest and Celebrations grant schemes were submitted by 3 January 2022. In total 7 applications were received – 7 for Community Chest and 0 for the Celebrations Grant. The total requested was £23,437.56. The Community Chest Grant Advisory Panel met on 17 January 2022 to consider all applications.
7.	<p>The Community Chest Grant Advisory Panel has recommended full funding for 4 applications, 2 of which are conditional offers subject to receiving required supporting evidence, totalling £9,258.68. Of the applications that are not being recommended for funding:</p> <ul style="list-style-type: none"> • 1 application is recommended to be declined because the organisation promotes religion and provides a faith-led service. • 1 application is recommended to be declined because of a lack of clarity regarding how the funds would be spent, and the application would be more suited towards the Events and Festivals Grant. • 1 application is recommended to be declined because the organisation does not meet the technical requirements, namely the organisation was already awarded in round one of 2021/22 Community Chest grant scheme. • 1 application is recommended to be declined because the organisation does not meet the technical requirements, namely the grant would be used solely for wages, which is not permissible under the grant guidelines.
8.	A list of all applications with full details of the recommendations and reasons why for each one is attached at Appendix 1.
