REASONS FOR REPORT RECOMMENDATIONS		
1.	To provide clarity on cross organisational priority areas for focus and delivery (externally and internally) as set by Cabinet with elected Members, colleagues within the council and external stakeholders.	

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED	
2.	Not to develop and publish an updated corporate plan. Rejected as not considered to be sound management practice and would not reflect the council's current position.
DETAIL (Including consultation carried out)	
3.	The current corporate plan was approved in November 2022 to be renewed in 2030. Focused initially on the 2024/25 year, the updated corporate plan reflects the significant financial pressures that have been identified since that time, it acknowledges the £40m financial gap that the council is facing, the level of transformation and the platform for delivery that is required to achieve a sustainable organisation.
4.	The updated Medium-Term Financial Strategy (MTFS) is scheduled for Cabinet on 5 th March 2024 and Council on 6 th March 2024 and details the financial pressures and plans to address the financial challenges. The corporate plan is being updated to ensure the vision, strategic goals and focus reflect the council's financial situation and the MTFS is aligned.
4.	The vision is: Southampton: Our city of opportunity. The core goals have been reviewed and refined, with outcomes that focus on improving the lives of residents and growing the economic and health prosperity of our city.
5.	Strategic objectives have been developed that provide more specifics around areas of focus to make that step-change, and the business and budget planning framework will ensure the work of all areas of the council are aligned to the achievement of these objectives, outcomes, and goals.
6.	The corporate performance framework is in place, and being further developed to ensure we have the right overview of performance across the organisation. As part of this, a regular key performance indicator (KPI) report will be developed to ensure council performance is aligned with the corporate plan. These reports will be shared and discussed within the council regularly to ensure that we are making progress. Updates will also be provided on the council's website.
7.	Equality and Safety Impact assessments (ESIA) will be drafted for new strategies and policies which sit under the corporate plan.
8.	A city and corporate plan will be developed for 2025/26 onwards, building on the work delivered to date.
RESOURCE IMPLICATIONS	
<u>Capital/Revenue</u>	
9.	Any resource implications required to deliver the objectives within the corporate plan will be defined through the transformation plan (through a business case approach) and existing service budgets as developed through business plans.
<u>Property/Other</u>	
10.	Any property or other implications required to deliver the objectives within the corporate plan will be defined through the transformation

	plan (through a business case approach) and existing service budgets as developed through business plans.
