It is not in the public interest to disclose this information because the information to be withheld in the appendix to the main report, is considered to be commercially sensitive and has a direct link to the future contracts employed by the Council and the Council itself. Disclosure may prejudice any future tendering exercises to secure a partner to deliver the energy product and the terms of such agreement affecting the Council's opportunity to secure best value for the citizens of Southampton and beyond through the energy company project. It is therefore not in the public interest to disclose the contents of the appendix while a procurement process is anticipated to secure the delivery of the project as any benefit gained through increased transparency of the negotiation process would be directly exceeded by the commercial detriment to the Council's negotiating position.
