This Plan constitutes 28 day notice as required by virtue of Regulations 5(2) and 9(2) of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

Items marked * on the Plan may in whole or part be held in private for one or more of the reasons set out in Paragraph 10.4 of the Council's Access to Information Rules.

CATEGORY		CONDITION
1.	Information relating to any individual.	This means any individual person and relates back to the Data Protection Act 1998 (DPA).
2.	Information which is likely to reveal the identity of an individual.	This again relates back to DPA.
3.	Information relating to the financial or business affairs of any particular person (including the Authority holding that information).	Includes information relating to the Authority's own financial or business affairs. It does not include information which is required to be registered under the Companies Act 1985, the Friendly Society Acts 1974 and 1992, the Industrial and Provident Societies Acts 1965-1978, the Building Societies Act 1986 or the Charities Act 1993 as such information will be in the public domain in any event. The "financial affairs or business affairs" include past, present and contemplated activities.
4.	Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the Authority or a Minister of the Crown and employees of, or office holders under, the Authority.	"Employee" means a person employed under a contract of service with the Council and would not therefore include a consultant or a temporary member of staff employed through an agency or a company. Information about such a person, however, may well be covered under the exemptions in paragraphs 1, 2 and 3 but it will depend on the individual matter.
		"Labour relations matter" means matters which may be the subject of a trade dispute within the meaning of Section 218(1) of the Trade Union and Labour Relations (Consolidation) Act 1992 or any dispute about such a trade dispute. This is therefore fairly narrow and does not appear to include normal staff negotiations which are not part of a dispute.

CATEGORY		CONDITION
5.	Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.	
6.	Information which reveals that the Authority proposes – (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person, or (b) to make an order or direction under any enactment.	
7.	Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime	
7(A)	Information which is subject to any obligation of confidentiality	
7(B)	Information which relates in any way to matters concerning national security	
7(C)	The deliberations of a Standards Committee or of a sub committee of the Standards Committee established under the provisions of Part 3 of the Local Government Act 2000 in reaching any finding on a matter referred under the provisions of Section 60(2) or (3), 64(2), 70(4) or (5) or 71(2) of that Act

**HEALTH AND ADULT SOCIAL CARE
PORTFOLIO**

Title	Health and Wellbeing Board Review
Details	<p>To consider the report of the Cabinet Member for Health and Adult Social Care detailing recommendations following the review of the Health and Wellbeing Board. The Health and Wellbeing Act 2012 requires Health and Wellbeing Boards, formed of key leaders from the health and care system, to work together to improve the health and wellbeing of their local population and reduce health inequalities. The Health and Wellbeing Board has developed from shadow to formal status over the last 3 years and is now a well-established partnership. Since its inception, the landscape for local government and the health sector has changed significantly. With the implementation of the Better Care Plan now underway, the work to integrate the health and social care agenda and developments on devolution, the time is right to review the Southampton Health and Wellbeing Board.</p> <p>The review is being undertaken by a Task and Finish Group who will make recommendations for the future structure, purpose and remit of the Health and Wellbeing Board. The Health and Wellbeing Board is a Statutory Board of the Council, and any changes to its terms of reference in relation to its governance, remit and focus will need to be agreed by Cabinet and Full Council.</p> <p>The aim of the review is to make recommendations for making the Health and Wellbeing Board future proof and fit for purpose so that it can make strategic decisions for the city in response to the needs of the local population. This includes reviewing the purpose, remit, decision making powers and composition of the Health and Wellbeing Board. It will also identify key relationships with other strategic partnerships.</p>
