Potential Negative Impacts

	Color and the property of the congruence of the	The state of the s
Impact Assessment	Details of Impact	Possible Solutions
Age	The school only accommodate 4-11 year olds so extra secondary school places will be needed as the extra children work their way through year groups.	Great Oaks Special (secondary) School has the potential if the demand for places stays at this level. This would likely not be required until 2019.
Disability	The provision available to existing students may be affected if there are additional students at the school.	Extra teaching space is being provided as part of the expansion
