STATEMENT OF CONFIDENTIALITY	
None	
BRIEF SUMMARY	
<p>Community Chest is the council's small grant scheme and currently awards grants of up to £2,500 to community groups and small voluntary organisations and social enterprises in the city with annual incomes of less than £250,000. Grants are awarded twice a year under delegated authority to the Cabinet Member for Stronger Communities, following recommendations from the cross-party Community Chest Grant Advisory Panel. The annual budget is £100,000, which is divided approximately equally between the two rounds.</p>	
<p>The Celebrations grant scheme is a sub-section of the Community Chest grant and offers grants up to £500. Applicants may apply for both the Community Chest and Celebrations grants, providing it is for different events/activities. Unlike the main Community Chest grant scheme, there is no income cap on applicants to the Celebrations grant scheme and any voluntary, community and social enterprise organisation can apply.</p>	
RECOMMENDATIONS:	
(i)	To agree the recommendations for 2020/21 round 1 grants made by the cross-party Community Chest Grant Advisory Panel
REASONS FOR REPORT RECOMMENDATIONS	
1.	All the applications have been considered by the cross-party Community Chest Grant Advisory Panel, which has made recommendations on which should receive funding. All applications recommended for funding contribute to at least one of the council's priority outcomes and will enable the applicants to provide activities for the benefit of their communities.
ALTERNATIVE OPTIONS CONSIDERED AND REJECTED	
2.	The option of not recommending funding was considered and rejected as it would not meet the council's aims of supporting local people to engage in community action.
DETAIL (Including consultation carried out)	
3.	Community Chest is the council's small grants scheme and has been running for more than 35 years. It is periodically reviewed to ensure it continues to

	meet the needs of local community groups. All grant funded projects, events and activities must contribute to at least one of the council's four priority outcomes. Since 2019 a smaller grant has also been available for community celebration events that bring different people together.
4.	Both grant schemes have two rounds per financial year, six months apart, with the budget split roughly equally between both rounds. In 2020/21 the overall budget available is £104,000. This is comprised of £100,000 main budget plus an additional £4,000 from the Community Asset Transfer of Freemantle and Shirley Community Centre – see paragraph 10 for more details. The decision maker for both grant schemes is the Cabinet Member for Stronger Communities, following recommendations by the cross-party Community Chest Grant Advisory Panel.
5.	Each application is first checked by a technical appraiser to ensure both the project and the applicant meet the Community Chest or Celebrations Grant criteria and minimum standards for grant funding. Further information or clarification is requested where necessary. All applications are then submitted to the cross-party Community Chest Grant Advisory Panel for consideration.
6.	Applications for round one of the 2020/21 Community Chest and Celebrations grant schemes were submitted by 29 May 2020. In total 21 applications were received – 17 for Community Chest and 4 for the Celebrations Grant. The total requested was £38,553. Application numbers are lower than usual, but this was expected as the application period was during the COVID-19 lockdown. The Community Chest Grant Advisory Panel met on 15 July 2020 to consider all 21 applications.
7.	The Community Chest Grant Advisory Panel has recommended full funding for 18 applications, totalling £32,299. Of the three applications that are not being recommended for funding: <ul style="list-style-type: none"> • 1 application is recommended to be declined because the proposed activities duplicate a service already provided on behalf of the council through a contract • 1 application is recommended to be declined as the Panel felt the proposed activity would directly promote a religious doctrine, making it ineligible for funding under the grant criteria • 1 application is recommended to be deferred to the next round to allow the applicant more time to evidence demand in the city for their proposed activities.
8.	A list of all applications with full details of the recommendations and reasons why for each one is attached at Appendix 1.
RESOURCE IMPLICATIONS	
<u>Capital/Revenue</u>	
9.	The annual Community Chest budget (including the Celebrations Grant) is £100,000, split approximately equally between two rounds. In 2020/21 there is a one-off addition of £4,000 to the budget from the transfer of Freemantle and Shirley Community Centre (see paragraph 10). In round one grants totalling £32,299 have been recommended, leaving £71,701 for round two.
10.	Following the successful Community Asset Transfer of the Freemantle and Shirley Community Centre in 2019, it was agreed under the terms of the

	transfer that £4,000 would be re-invested back in to the community through Community Chest. Due to COVID-19 it was not possible to fully advertise this for round 1, but this will be promoted for round 2. This £4,000 is ring-fenced for activities that benefit residents living in the Freemantle and Shirley wards and part of Millbrook ward (between Shirley Road and Regent's Park Road).
<u>Property/Other</u>

LEGAL IMPLICATIONS	
<u>Statutory power to undertake proposals in the report:</u>	
12.	The legal power for the Council to establish, administer and make awards from the Community Chest grant fund is provided by the Localism Act 2011. Subject to certain statutory restrictions, none of which apply in this case, Section 1 gives the Council "power to do anything that individuals may do" which includes making grant funding contributions to worthwhile projects and activities that supports the work of the Council and / or contributes to the wellbeing or benefit of the community or city residents.
<u>Other Legal Implications:</u>	
13.	In awarding grants under this scheme the Council has had regard to the requirements of the Equalities Act 2010, including the need to assess all applications having regard to the public sector equality duty set out in s.149 of the Act and to ensure that the application process is fair, transparent and designed to eliminate unlawful discrimination against those who have protected characteristics. Grants are also assessed having regard to s.17 Crime & Disorder Act 1998 and the extent to which they contribute to the elimination of crime and disorder in the City together with all other relevant legislation.
RISK MANAGEMENT IMPLICATIONS	
14.	The risks of fully funding, part funding or not funding each application were considered as part of the Community Chest Grant Advisory Panel's discussions. The impact of COVID-19 on the proposed activities was also considered. The recommendations listed in Appendix 1 are considered to be low risk.
15.	All grants will be awarded on condition that the activities/events are carried out in line with government guidance about COVID-19, to ensure the safety of everyone involved.
POLICY FRAMEWORK IMPLICATIONS	
16.	The recommendations in this paper support the delivery of the Sustainable Community Strategy (City Strategy), the Council Strategy 2016-2020, key partnership strategies such as the Safe City Strategy and the Health and Wellbeing Strategy as well as Level 1 strategies of the Council.
