SUMMARY

In accordance with the Accounts and Audit Regulations the Council is required to complete an Annual Governance Statement ('AGS'). The AGS is a key corporate document which is intended to provide an accurate representation of the corporate governance arrangements in place during the year and highlight those areas where improvement is required. The council is expected to develop and monitor actions to address those areas where improvement is required

RECOMMENDATIONS:

That the Audit Committee:

- (i) Notes the content of the AGS 2007-08 Action Plan Status document (Appendix 1).

REASONS FOR REPORT RECOMMENDATIONS

1. The Audit Committee has responsibility to provide independent assurance to the Standards and Governance Committee on the adequacy of the risk management framework and the internal control and reporting environment, including (but not limited to) the reliability of the financial reporting process and the annual governance statement. This responsibility extends to receiving assurance that the actions identified to address those areas where improvement is required are being satisfactorily progressed or implemented.

CONSULTATION

2. The Action Plan Status document has been reviewed by the Council's 'Controls Assurance Management Group' ("CAMG") comprising the Executive Director of Resources, Monitoring Officer, Chief Internal Auditor, Chair of the Audit Committee and the Head of Corporate Policy and Performance in accordance with their responsibility for "reviewing progress in respect of action plans to address any identified significant control weaknesses".

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

3. No alternative options have been considered.

DETAIL

4. The purpose of the AGS is to provide an accurate representation of the corporate governance arrangements in place during the year and to identify or highlight any areas where gaps or improvements are required. Although the AGS is published with the authority's financial statements it is concerned with the overall corporate governance arrangements and is not confined to financial issues.
5. A robust assurance gathering process has been developed by the Council, in accordance with the guidance published by the Chartered Institute of Public Finance and Accountancy ("CIPFA") and the Society of Local Authority Chief Executives ("SOLACE"), to support the preparation of the AGS.
6. The 2007-08 AGS includes the 'significant governance issues' that were identified together with the proposed actions to address the issue and a timescale for completion.
7. The AGS Action Plan was subsequently developed by the CAMG who are responsible for "reviewing progress in respect of action plans to address any identified significant control weaknesses".
