Monday, 21 November 2011

Decision No: (CAB 11/12 7319)

DECISION-MAKER:	CABINET
PORTFOLIO AREA:	CABINET MEMBER FOR ENVIRONMENT AND TRANSPORT
SUBJECT:	PROPOSED PERMIT PARKING SCHEME IN THE VICINITY OF PORTSWOOD RESIDENTS GARDENS (TRO)
AUTHOR:	Graham Muir

THE DECISION

- (i) To approve the implementation of the Proposed Permit Parking Scheme in the vicinity of Portswood Residents Gardens subject to (ii) and (iii) below:
- (ii) To approve the amended proposal for no waiting at any time restrictions outside 2 Church Lane with a further reduction of 50% over and above that set out in appendix 4;
- (iii) To approve a reduction in the length of No Waiting at Any Time proposed outside 30 Brookvale Road as set out in appendix 4; and
- (iv) To review the operation of the scheme after 12 months from the date of implementation, to include the area covered by the Oakmount Triangle Resident's Association and, following such a review, to delegate authority to the Executive Director of Environment following consultation with the Cabinet Member for Environment and Transport, to consult upon and advertise any further proposed changes to the Scheme arising out of the review.

REASONS FOR THE DECISION

1. Council policy in residential areas is to focus on ensuring that residents do not experience problems resulting from commuter parking, or from parking generated by major attractors (such as hospitals, education establishments, leisure venues, etc). It has been Council practice in Highfield and Bassett to extend the "University" permit parking zones to address this issue, where requested by residents.
2. The property owner for 2 Church Lane requested no waiting at any time restrictions across its frontage on safety grounds, and given its proximity to a junction and limited visibility to off-road parking, this would be appropriate. Otherwise given the contention over the existing proposals, further restrictions would not be recommended without experience of the scheme in operation and the necessary public consultation. The reduction in the length of restriction

opposite 30 Brookvale Road will assist the operation of the Brookvale Advisory Centre.

DETAILS OF ANY ALTERNATIVE OPTIONS

Not proposing a scheme was rejected on the basis that we would not be following Council policy and practice.
