We would like to apply to change the Colours of the fascia to blue and gold and also to add some small lettering to a side window, to enable drivers passing to identify the shop without having to look up at the headboard, which we know has caused at least one accident in the past.

These are very minor changes, which we believe should be granted, as we are so heavily stifled in every aspect of the shops appearance. The financial situation at the moment as I am sure you are aware, is threatening the closure of many business' and we are suffering along with many others. So please help us to help our business in this small way. Many thanks
