Tree enquiry details

- **Enquiry type:** Have a tree protected by a Tree Preservation Order
- **Location of/for tree:**
27 Highfield Crescent.
2x Oak Trees Located at the Front of the Plot Adjacent to the Pavement.
1x Oak Tree Located within the plot.
- **Reason for request:**
These trees form part of both a wildlife corridor for birds moving from the green valley between Highfield Crescent and Highfield Lane and are a natural break in an otherwise sparsely green street for pedestrians traversing from Portswood to the University via Highfield Crescent.
The trees have all been exceptionally well maintained by the landowners over a period of more than 30 years and are a landmark feature of the road.
