It will remain on the list until such time as the Panel accepts the recommendation as completed. Rejected recommendations will only be removed from the list after being reported to the HOSP.	meetings of the Health Overview and Scrutiny Panel (HOSP). It also contains a summary of action taken in response to the recommendations. The progress status for each recommendation is indicated and if the HOSP. confirms acceptance of the items marked as completed they will be removed from the list. In cases where action on the recommendation is outstanding or the Panel does not accept the matter has been adequately completed, it will be kept on the list and reported back to the next meeting. It will remain on the list until such time as the Panel accepts the recommendation as completed. Rejected recommendations will only be removed from the list after being reported to the HOSP.
